Press Release

15 hour delay & 17 hour delay – Ease the drudgery of endless waiting

Face it, sitting anywhere waiting on someone else's arbitrary lazy mistake blows major league when **you could be home** watching the latest riveting episodes of celebrity reality shows and stuffing your face with bon-bons. But you make the most of any rainy day. It's time **to flip open the groovy new hooded top loader** backpack and ease out your **15" laptop** from the **15 Hour Delay** or **17"** inside the **17 Hour Delay**. Now you can start extracting your revenge by asking the information desk to page "**Ima Booger**" and make reservations for "**I.P. Freely**". Yes, it's the little things that **keep you amused**.
