Press Release

Bosses Bed – A light at the end of the tunnel

You accidentally squirted shampoo into your eyes in the shower. You spilled coffee all over your new pants. The rain ruined your new shoes. The fat smelly guy in accounting ate the last of the donuts. **The boss** asked you into his office, and then asked you to **wear the dog collar** and nothing else. You grab your handy-dandy super-sturdy new overnight **Bosses Bed** bag and it magically transports you to a weekend getaway with **everything you need to escape** from all of this crap. Okay, so you woke up from the nightmare, but your **Bosses Bed** is still right there, calling you out for **3 days of hedonism!**
