RACING WHEELS

**Press release Barracuda Racing Wheels Europe:
Infernally good: Barracuda Inferno on the BMW 2 Series Coupe**

Infernally good the BMW 2 Series Coupe features the wheel design "Inferno" from Barracuda Racing Wheels, characterized by five striking Y double spokes. On the axles of the red M235i, which is powered by a 326-hp turbo six-cylinder, the Barracuda Inferno rotates in the bright finish Silver Higlöss and the dimensions 8.5x19" at the front and 9.5x19" at the rear. The wheels are offered in these specifications for the price of 339 or 359 euros. On the M235i they were combined with tires in sizes 225/35R19 and 245/30R19, while a ST coilover suspension – adjusted to a lowering of 45/35 millimeters provides a clearly crouched look and an even more dynamic handling.

Breathtaking videos from Barracuda are available on the 'Barracuda Racing Wheels' YouTube channel or the 'barracuda.wheels' Instagram profile. The light-alloy wheels from the extensive Barracuda range of rims are available at car dealerships as well as well-stocked tire and specialist stores. Alternatively, they – along with all additional facts, including price and delivery information – can be obtained directly from:
