Style: True Metal

NB 2120

Release: 27.06.2008

### English

This DVD is the glorious continuation of the previous two, namely "The First Crusade" and "The Templar/Renegade Crusades". It contains newly recorded interviews and footage from HAMMERFALL's own cameras. So it's very intimate and interesting.

The time span of "Rebels With A Cause – Unruly, Unrestrained, Uninhibited" is six years – from the beginning of 2002 till the end of 2007. This DVD features a detailed documentary, made up like a movie with different chapters. There also be six video clips from the releases between 2002 und 2007, behind the scenes material, four professionally filmed live songs from the legendary gig in Filderstadt, Germany in 2005, five TV Clips for the Swedish television and some more stuff, recorded by the band!

This DVD is a must have for every HAMMERFALL fan!

The very limited first edition includes the "Masterpieces"-CD, a compilation of all coverversions HAMMERFALL have ever recorded as a bonus.
