

# Press Release

**15 Seater & 17 Seater – Quit being a nomad and graduate to luxury**

**You** spent your youth as a rambunctious hellion with only plastic grocery bags to lug your junk around. You no **longer dwell in an igloo**. You finished school and got a good job, but you just haven't gotten around to updating your baggage to match your **new approach** to life. As in you quit eating out of paper **wrapped meals**, actually pay your taxes and now have some **seriously groovy bags**. You sashay with **up to 15"** of laptop goodness **in the 15 Seater**, or even **17"** in the **17 Seater**. No my friend, it's nothing but caviar dreams and **champagne kisses** when you sport these beautiful dependable new **laptop bags**.
