Laptop Backpack

CRUMPLER

The Belly - nobody knows how big it'll get

large main compartment
with front opening, laptop
compartment fit up to 17"

Try to imagine a perfect day. Sunshine, delicious food and your annoying boss gets a flat tire on the way to work. Put all of that into a **magnificent backpack** for you **laptop up to 17"** and you've just created perfection. **Add some special places** for a water bottle, your mp3 player, intelligent sturdy straps and you've now added **cherries on top.**

Features

- Original 1000d Chicken Tex Supreme™ hyper performance accessory fabric with waterproof Ripstop Lining
- weasel-proof padded laptop compartment with removable laptop pouch
- large main compartment with organiser and front opening
- 2 side pockets with internal mesh organisers
- super strong shoulder straps with 2 loops for pouch attachment
- adjustable and removable sliding chest strap for fine adjustment
- Dr. Bodenschatz back hugger system
