Saturday Night Suit – better than an internal office envelope

Ultra slim design custom-built for MacBook Air

My how passing time can change preferences. Do you remember when thick curves were considered sexy? We don't either. For the here and now, we've got the **perfect custom fit for your ultra-thin MacBook Air** made from Holy Cow Real Leather™. We don't advocate eating disorders, so somebody **get this laptop a roast beef sandwich.**

Features

- super soft and strong Holycow Real Leather™ combined with waterproof Ripstop lining
- shiny metal logo and metal hardware
- built-in padded protective laptop pocket with integrated pen slots and mesh pocket,
- adjustable shoulder strap,
- Prince Charles protective seal
