

My Lord Jesus – Annamaria Sotgiu

Music & Lyrics: Claudia Hirschfeld

Verse 1

Everyone of us
has his life and sorrows.
Labour, health and love!
Loneliness and war!

I will tell you why
I don't fear tomorrow.
There's someone in my life,
The reason to survive:

Refrain

My Lord Jesus, my Christ
Sunlight on my soul
My dear Jesus, the high'st
Bless the way I go
Oh, I believe in you (yes, I believe in you)
because you are the truth (you are the way and the truth).
Never I fall deeper
Then in your holy hands.

Verse 2

If I loose it all
And my dreams have melted
All my friends are gone
You hold me on and on.

When the world goes down
No hope of improvement
My heart will trust in you
My saviour gets me through.

Refrain

My Lord Jesus, my Christ
