

Press Release

Seniorina – passion redefined for those with already burning hearts

integrated padded laptop pouch
for 15" W MacBooks and most
15" laptops

You balance precariously on the precipice of exhilaration. You know that 17" can be a tad too much, and 13" can leave you wanting more. Hence, your passion ignites when you slide **your 15" laptop** into this taut bag of happiness. It feels so good; **you'll even do it twice.**
