**CALL FOR PAPERS AND POSTERS  
and invitation to the annual meeting of European Association for the  
Advancement of Archaeology by Experiment in Berlin/Germany,  
September 18th–21st 2025**

To whom it may concern,

this year's conference is being held in collaboration with the Museumsdorf Düppel (on the occasion of their 50<sup>th</sup> anniversary) and with the Stadtmuseum Berlin. It takes place in the PETRI Berlin. The main topic of the conference is "Experimental Archaeology in Science and Education 2025". The lectures will deal with the latest methods of investigating finds and findings, which serve as the basis for conducting experiments. Analysis and reconstruction options can also be presented during and after the experiments. In addition to experiments and reconstructions, reports on scientifically based demonstrations and related museological mediation methods are also welcome.

The board of directors calls for papers to be submitted on the above topics. Please register till August 15<sup>th</sup>, 2025 and by email ([mail@pfahlbauten.de](mailto:mail@pfahlbauten.de)) with the attached registration form. Notification of acceptance of the presentation will be made by August 25<sup>th</sup>, 2025. We are sorry, but posters couldn't be presented this year.

The lectures are to be held in German or English. The board asks the speakers to label the slides in the other language. The presentations may not exceed a duration of 20 minutes. Lecture days are September 19<sup>th</sup> and 20<sup>th</sup> 2025. Speakers are exempt from the conference fee.

**Unfortunately, the registration for the conference at [www.exar.org](http://www.exar.org) is due to technical problems actual not possible!** Instead, we ask non-speakers to register for the conference also till August 15<sup>th</sup>, 2025 and by email ([mail@pfahlbauten.de](mailto:mail@pfahlbauten.de)) with the attached registration form.
